

**Needham Garden Club
General Meeting Minutes
October 27, 2020**

The meeting, held via Zoom due to the coronavirus pandemic, was called to order by Co-President Jane Lischewski at 9:30 a.m.

A brief check-in concerning the well-being of members took place.

Committee updates were as follows:

Community Outreach: Cathie Cummings thanked those who had watered the library urns and Noyes Garden. She stated that the urns will have greens on display during the winter. She is hoping that new urns will be available for the library come spring. Cathie will follow up with the library at a later date concerning ownership of the urns and potentially replacing them. Jane L and Martha Schleck will pursue sourcing new urns.

Programming Committee: Anne Carlson stated that the Committee is working on having the winter and spring programs presented via Zoom. More information concerning this will be presented in the upcoming newsletter.

Per inquiry from members, Martha stated that the Board would consider and determine appropriate ways to remember Nina Saltus, a long-time member and past president who recently passed away.

The business portion of the meeting concluded at 9:37 a.m., at which point Lyn Jekowsky led those present in the pumpkin-decorating program, a pandemic-friendly substitute for the usual October tablescapes mixer.

Respectfully submitted,

Jane Brand
Recording Secretary
